

ABOUT THE CONFERENCE

The 8th Global Summit on Artificial Intelligence brings together researchers, industry leaders, and academics from around the world. Join us for cutting-edge research presentations, AI innovation showcases, and global collaboration opportunities that shape the future of artificial intelligence.

EVENT DETAILS

- Date: November 27-28, 2026
- Virtual Platform: Zoom
- Time: 10:00 UK Time zone

Join us from anywhere in the world for this premier AI conference.

Heighten Science Publications
Inc. (HSPI)

Heighten Science Publications Inc. (HSPI) is an open-access platform committed to disseminating high-quality, peer-reviewed research across the disciplines of medicine, science, and engineering. All published articles are freely accessible, fostering global engagement and the exchange of knowledge.

VIRTUAL CONFERENCE

8th Global Summit on Artificial Intelligence

Vision and Mission

Vision: To make research universally accessible, facilitating global learning and innovation.

Mission: To deliver high-quality publications that maximize visibility and impact.

KEY TOPICS :

- Machine Learning & Deep Learning
 - Neural Networks & Optimization
 - Natural Language Processing (NLP)
 - Generative AI & Large Language Models
 - Computer Vision & Image Processing
 - AI in Healthcare & Drug Discovery
 - Robotics & Autonomous Systems
 - AI Ethics & Responsible AI
 - Big Data Analytics & Cloud AI
 - AI in Industry, Smart Cities & Sustainability
- 

ABOUT THE CONFERENCE:

The 8th Global Summit on Artificial Intelligence is a premier virtual event that brings together researchers, industry experts, and academicians from around the world. The conference focuses on the latest advancements, innovations, and real-world applications of artificial intelligence across various domains.

It provides a platform to share knowledge, discuss emerging trends, and explore how AI is transforming industries such as healthcare, finance, robotics, and smart technologies. Participants will gain valuable insights, network with global professionals, and contribute to the future of AI.

PARTICIPATION BENEFITS :

- E-Certificate for Presentation and Participation
 - Get your abstract published with the DOI.
 - Reduced Costs and Affordability.
 - Learn latest trends and innovations in AI
 - Network with global experts and researchers
 - Showcase your research to an international audience
 - Affordable and easy virtual participation
- Enhance your knowledge and professional growth
- 

TARGET AUDIENCE:

- Researchers & Scientists
 - Academicians & Faculty Members
 - AI & Data Science Professionals
 - Industry Experts & Engineers
 - Healthcare & Technology Professionals
 - Software Developers & IT Specialists
 - Startups & Entrepreneurs
 - Students (Undergraduate, Postgraduate, PhD)
 - Policy Makers & Consultants
 - Anyone interested in Artificial Intelligence
- 

SUBMISSION REQUIREMENTS :

Interested participants are invited to submit:

- Abstract
- Brief Bio
- CV
- Photo
- Research Interests

OUR MISSION:

Our mission is to bring together researchers, professionals, and industry experts to share knowledge, promote innovation, and advance the field of artificial intelligence. We aim to create a global platform for collaboration, learning, and the exchange of ideas that drive real-world impact.

GET INVOLVED

Be a part of the conference in multiple ways:

- **Present Your Research**
Share your innovative work through oral or poster presentations
- **Join as a Speaker**
Deliver impactful talks and share your expertise with a global audience
- **Attend as a Participant**
Gain insights from experts and explore the latest trends in AI
- **Collaborate & Network**
Connect with researchers, academicians, and industry professionals worldwide
- **Submit Abstracts**
Showcase your research and contribute to the conference program

CALL FOR PARTICIPATION

- Step into the future of innovation at the 8th Global Summit on Artificial Intelligence. We invite researchers, industry leaders, academicians, and students to showcase their ideas, present groundbreaking research, and be part of transformative discussions shaping the world of AI.
 - Whether you aim to present, speak, or simply learn, this is your opportunity to connect with global experts, gain powerful insights, and elevate your professional journey.
- 

CONTACT US :

- **Address**

Heighten Science conferences
138 Regina DrEast Windsor, CT
06088, USA.

- **Mail Us**
